Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You wont truly feel monotony at at any moment of the time (that's what catalogues are for concerning should you question me).

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.PREFACE HIS book axes its origin to a request made a year or two ago by the editor of the Hull Church Porch that I would write a series of weekly articles dealing with old Hull organists and the instruments on which they played. A number of these had duly appeared, when I found myself obliged to discontinue them, not from lack of material, but from lack of time. I have been repeatedly requested to complete the work, and to issue it in a more permanent form and at odd moments of a busy life, I have now been enabled to do so. It has often been asserted, as a reproach against organists generally, that their artistic outlook is apt to be narrow, and that it is too often regarded from the particular aspect of their own instrument. The record of these pages, however, will shew that all the movements connected with music in Hull- the Musical Festivals, the formation of the various musical societies and other institutions for the advancement of the art- have been inaugurated or developed by organists and whatever interest the book may possess, will perhaps be found in the tale they tell of these efforts. The form in which the articles were originally prepared will account for some discursiveness in the text, and occasional instances of overlapping of matter. But while no literary merit is claimed for the book, it is hoped it may be the means of keeping from oblivion the names and work of many who have done good service for music in Hull, and may also prove an incentive to others to follow their example. I wish to acknowledge my...
