

Between Physics and Metaphysics: Philosophical Implications of Quantum Mechanics

By Lucio Giuliodori

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The essay exposes some of the philosophical implications arising from reflections on the major assumptions of Quantum Mechanics. Through an overview of the various experiments that constitute the main framework of Quantum Physics and through similarities with those philosophies that had anticipated his main assumptions, the reader is guided to a reflection that is inherent also to the everyday life, the very reality that we live and that in the light of these shocking discoveries, could in turn be widely twisted.
