Descending down majestic cliffs and great waterfalls of the outback; explore the sensational underwater world of the Great Barrier Reef; captain a sailboat through the crystal waters of the Northern Territory; meet the bizarre wildlife of Australia including koalas, kangaroos, and wombats; spend weekends camping in national parks; participate in local sports such as footy, surfing, white-water rafting; Partying with locals; falling in and out of love; and even try to fit in some class time. This book will take you through all of my adventures in the six months I spent studying abroad at the University of Melbourne. You'll be riding shotgun with me throughout the whole process as I give you an inside look at all the emotions and thoughts that were running through my mind.
